

HIGHLANDER SECURITY SHREDDING

Annual Clearance

Are you looking for a one of Office Clearance?

Highlander Shredding can help you with various collection options to suit every size of job. Our service is second to none and more destructive than a Great White.

With identity theft on the rise and the the introduction of GDPR in 2018, it is more imperative than ever, to review any documents you have in storage and ensure that your documents don't EVER come back to bite you!

How does it work?

- 1** Contact us now for your free of charge survey and quotation.
- 2** We can provide you with bags, bins or fully enclosed walk-in containers to fill with your documents. Lockable wheel bins are available in 4 sizes - 120l, 240l, 660l and 1100l!
- 3** We are also able to collect documents within boxes/bags or on pallets and we operate 2 Moffett Mounty lorries to load the pallets, if you don't have a forklift or pallet truck.
- 4** All documentation is returned to our premises in East Kilbride and shredded to EN15713 standards.
- 5** All shredded paper is baled into 500kg bales and sent to UK paper mills, where it is pulped and processed into new paper products, such as hand towels or tissue products.
- 6** A destruction certificate is issued within 24 hours of each collection of your material.

What does it cost?
